"To enrich the lives of McClure Place residents by providing support and services"

September 15 2025

Building: You all received a memo in your notice mailboxes about the alternate entrance while sidewalk work is ongoing. Please don't hesitate to ask questions if anything is not clear. Just a reminder that your parking spaces may be impacted. As the work progresses, we will notify any of you that will be directly impacted and help you find an alternative parking area. Before all this work starts I want to say a preemptive thank you for your patience. I know this is a huge imposition, and I appreciate your cooperation and patience.

In anticipation of the winter weather (sorry!) I encourage you all to test your parking plugs in the weeks to come. Please make sure your switch in your storage area is flipped on, take a hair dryer or lamp out to your parking spot and test the plug in to make sure it is working. Write anything that needs attention in the maintenance book please!

Residents: Nadine Clarke is moving into suite 804 before the end of September. Dwight and Karen McNutt will be moving into 208 on October 1. Linda Batza will be moving into 202 on October 1 as well. So many new friends!

Board of Directors: The McClure Place Association Board year starts in 2 weeks. The Finance and Audit Committee meets this week to start the budget process.

Staff: Nurse Nicole is anxiously awaiting the birth of grandbaby #4. Due date is officially September 23, so any time now.

Personal: Desmond has begun his 6:00 am canoe paddle training for the big trip to Missinippi and Otter Lake in a couple of weeks. He and his two best buddies are the only grade 12 kids going. They went from being the rookies to grizzled veterans way too fast! Alden has settled into school well for grade 10. They have shuffled their curling team, hoping to build for the future. They will be joining a men's beer league at the Nutana this year, so we shall see how that goes! Shawn and I joined some friends this weekend, taking in Julie Wedman playing Vivaldi's Four Seasons with the Saskatoon Symphony. Julie went to high school with Shawn and our friends, and now she is a very accomplished world-renowned violinist. It was an amazing performance! She joined us afterwards for a lovely visit, and now is off to Vermont to prepare for the next performance. What a life!
