"To enrich the lives of McClure Place residents by providing support and services"

October 14, 2025

Building: Windy season is here. Please check your decks to ensure everything is tightly secured, and nothing is able to go 'clang clang clang' in the night!

I remind all residents and all guests that this is a **smoke free building**. We have zero tolerance for smoking of any kind- cigarettes, vapes, or marijuana. All smoking must take place off our property. The city sidewalk is the closest you are allowed. We do our best to pass this information on to any work crews that are here for us, and we ask you do the same with your guests. Thank you.

I have been informed that in the past, there was one common weekend that all residents worked together to have a 'Light 'Em Up' night for balcony Christmas lights. Can we try that again this year? Can all residents do their best to have a string of lights secured to their balcony railings no later than November 30th? That would give at least 1 full month before Christmas of full light. We have had folks comment how much the community appreciates your effort. They always appreciate the gift of joy all those lights bring to the community. Please let the front office know if you need help securing them, and we will see what we can do!

Residents: John and Claudia Zacharias will move into suite 101 on October 20th. Welcome!

Staff: Our dear Gladys has been away for one month now. Her family is here under her husband's skilled worker nomination program. Immigration Canada made an error with their paperwork making it illegal for them to work. We are all waiting patiently for the error to be rectified so we can get her back. She said that she misses everyone dearly. They (and we) are doing everything they can. Now we just must wait.

Personal: My beautiful 16-year-old had a very exciting week! Last Sunday he applied for early acceptance to the U of S, on Wednesday he received his letter of acceptance, and on Friday he turned 17! He will be going into the college of Kinesiology if everything works out next September. He is such a nice, smart, hardworking, handsome boy. We are really proud of him! They had a safe and successful canoe trip a couple of weeks ago. Only one fish was caught, but lots of fun was had.

Alden's 'beer league' curling team has a mixed record so far this year, a loss, a tie and a win. He and the boys have been working hard with Brian Champion, curling up to 4 days a week! We have seen remarkable growth so far this year. Although I will admit an 8:40 pm start time on a school night is very late- mostly for the moms! I hope you had a Happy Thanksgiving everyone!!

McClure Place Activities

October 13th - October 17th

Mon. Oct. 13th	- Statutory Holiday <i>Happy Thanksgiving!</i>	
Tues. Oct. 14th	9:30am	In Motion

Cold weather is coming!

In the near future we will be delivering knitted items to schools and charities that need them. If you have anything to donate, please drop it off at Jean's Suite #407 or Marjorie's Suite #402.

Donations of yarn are also appreciated.

Thanks,
Jean Toews

Please note: A draft copy of the minutes from the October 6th Resident Council Meeting is now posted on the bulletin board for your viewing.

Sask Facts

Did you know...

- Saskatchewan has the largest kimberlite field (diamond bearing rock) in the world, located near Prince Albert.
- The railway that runs beside highway 33 from Regina to Stoughton is the second longest stretch of railway in the world.
- Saskatchewan has the most miles of highway for the least amount of population of anywhere in the world (mile of road per capita).
