*"To enrich the lives of McClure Place residents by providing support and services"*

February 17, 2026

Happy Family Day and Belated Happy Valentines day!!

**Building: Sask Power has requested to do some upgrades to the power supply box for our building. They have scheduled us for 1:30pm on Thursday February 19<sup>th</sup>, 2026.**

**There will be a total power outage at that time for approximately 10 minutes. The generator will supply power to the essential systems in the building - the water, the emergency lighting, one emergency elevator, etc. Power will be out for the entire building for approximately 10 minutes. Please mark your calendars!**

**Staff:** A few staff in and out this week for family week - kids have no school.

**Personal:** I wrote this before we went to the Sask winter games.... I am sure it all went well! Desmond is gearing up to write two AP (advanced placement) exams. He will be writing calculus and biology. If he passes them, they count as college credits. He also successfully donated blood for the first time last week! We weren't sure how it was going to go because he gets a bit queasy at the mention of blood, but he did great! Really proud of him!

**Please note:** Due to the upcoming storm the next few days, the office might be closed and short staffed. Please call the maintenance number 306-222-7645 for any emergencies.
