CARG Hearts - The Coronary Artery Rehabilitation Group (CARG) of Saskatoon has a program which provides individuals with a heart pillow following their cardiac surgery. Volunteers in the city come together to trace, cut, stuff, and sew these pillows. McClure Place has been the first step in the pillows journey for many years - tracing and cutting out the fabric hearts! If you're interested in helping out with this project, come down to the **Craft Room on Monday mornings at 10:30 am starting April 7th**. Everyone is welcome!
