ALS (Amyotrophic Lateral Sclerosis)

The designated charity for the month of June is ALS, also known as Lou Gehrig's disease. ALS is a fatal neurodegenerative disease the cause of which is still mostly unknown although it is known a small number of cases are inherited. There is yet no cure nor effective treatment. ALS often begins with muscle twitching and weakness in an arm or leg, trouble swallowing or slurred speech. Eventually ALS affects control of the muscles needed to move, speak, eat and breathe.

Carolynn Drabble's parents moved to McClure Place in September 1994 due to her father's ALS. He died in July 1995. Diane Dodds son-in-law died in 2024 at age 46.

Donations enable Saskatchewan ALS families access to things that enhance or support quality of life for the client and caregivers. Your donation to ALS Saskatchewan provides (1)

Information, Referral and Home Visits (2) Support Groups (3) Equipment Loan Program (4) Assistive Technology (5) Awareness and Education Programs (6) Advocacy (7) Peer Support.

Diane and Carolynn welcome your donations on June 23rd during Celebration Day or in the container at the office by the end of June. Donations of \$20 or more are eligible for a receipt.

ALS SOCIETY
SASKATCHEWAN

The residents of McClure and Amy House would like to recognize Elaine Senga's 36 years of hairdressing! Over the years her clients have appreciated the extra mile that she goes to escort the residents of Amy House for their appointments, creating an inviting environment by decorating her salon with her talented artwork, her friendly personality, and of course the exceptional haircuts and styling that always leave her clients looking and feeling their best. A special thank-you to Julia for providing exceptional service as well!

BONFIRE

with Phil Miller

TUESDAY, JUNE 16TH AT 7:00 PM

Bring your own lawn chair down to the front lawn and join your neighbours for an evening around the fire with entertainment and smores!

*** WEATHER PERMITTING**

By the end of June 2026, McClure residents will have donated more than \$6000, since September of 2025, at our Celebration Day collections. The charities included The Food Bank, Telemiracle, SK Cancer, among others.

Some of our charities are an "every year" expectation - for example the Poppy Fund in November, and Telemiracle in February; however, your Activities Committee welcomes ideas for other charities to include.

If you are passionate about a charity, and would be willing to chair the collection in 2026-27, please include that with your suggestion. If there is a particular month preferred, please contact Irma Kittelson, at your earliest convenience.
