A message from the Hair Salon

Thank-you so much for the very kind words in the canopy. It has honestly been my pleasure and honor to be a part of this beautiful community. You all make it hard to leave so I keep hanging around. I am thoroughly enjoying working with Julia, she has definitely been as asset.

On another note, I just want to let you know that I have been diagnosed with large granular T cell leukemia; therefore my days are shorter. Some days I will need to take off but I promise to provide hair services to the best my health will allow. I thank you for understanding.

Just a heads up that unfortunately we need to increase our prices. This will begin September 1 2026.

Once again thank you for being my "family",
McClure is home.
