

August 17, 2026

A message from the summer students:

Taylor (Emergency Planner):

Working at McClure creating an emergency preparedness plan has taught me so much. Although I have really enjoyed learning and creating safety plans, one of my favorite parts of this job was getting to know my coworkers. They were always there to make me laugh, help me when I needed it, and make coming to work something I genuinely looked forward to. I have also loved getting to know all of you, the residents, and having the opportunity to visit with you, hear your stories, and help with activities at Amy McClure House. Thank you so much for everything—I truly could not have asked for a better summer job!

Nick (Maintenance):

Although I'm done working at McClure, the best way I would describe working here over the summer is purely delightful. Some of the work Greg had me doing wasn't the most enjoyable (aka mopping the garage room floor) but setting the kind residents and staff day after day made up for it. I always felt so welcomed and appreciated at McClure, and for that I say thank-you. But don't you can get rid of me that easily, I'll come pay a visit before I move to Calgary for school, and who knows, maybe I'll be back next year!

Siena (Maintenance):

I've had such a great time here at McClure! Everyone has been incredibly kind and welcoming, and I've loved being part of the community here throughout the summer. I've really enjoyed getting to know the staff and residents, which is made each day enjoyable and gave me so many opportunities to connect with everyone. I'm so grateful for the experience I've made over these few months!

Delaney (Maintenance):

I have truly enjoyed my time this summer working for McClure! It has been a pleasure being able to connect with the residents and staff. I also appreciate how incredibly kind and positive everyone was along the way!

Mackenzie (Recreation):

As my time at McClure Place comes to an end, I want to say thank you to everyone in the tower and at Amy House for making this such a positive experience. I have had so much fun getting to know you all, participating in activities, and being part of such a caring community. This summer has given me many great memories that I'll always look back on fondly. Thank you to everyone for making this such a wonderful place to work. I'll truly miss being here, and I wish all of you the very best!

Karlee (Recreation):

I have thoroughly enjoyed my summer here at McClure Place. The residents at Amy House and the tower have been incredibly welcoming and friendly. I have loved getting to know all of you and will miss spending time at McClure Place. Thank you all for an amazing summer!

A huge thank-you to the students for choosing to spend their summer here at McClure. We wish you all the best in your upcoming studies and future!
